DO NOT CROSS

Michigan has a rich literature based on real crimes and fictional mysteries. Many great mystery series are set in the state, from the big cities of southern Michigan to the wilderness areas of the Upper Peninsula. We also have riveting stories of true crimes from small villages to metropolitan areas. Some are closed cases, but some are cold cases waiting to be solved.

Come join us in a tour through the dark side of our cities, rural landscapes, woods and lakes. Read chilling true stories and frightening fictional tales of bloody crimes scenes, skeletons in the woods, and bodies in the lakes.
